KCT alumni duo wins...

Ms.R.Niveda of 2017-2019, Apparel Technology & Mr.S.Gowtham of 2013-2017, Fashion Technology from KCT Natural Fibre Research Centre were felicitated with Chinnikrishnan Innovation Award presented by CavinKare Private Limited & Madras Management Association and Special recognition Award by Naturals at Suyasakthi Virudhugal conducted by Naturals and Brand Avatar, for producing a biodegradable natural sanitary pad made using Kenaf fiber. The KCT Alumni duo has been the proud recipients of national recognition under the innovation segment earlier, towards the creation and production of Bliss Natural, a completely bio-degradable natural sanitary pad made using Kenaf fiber. It is 100% natural, uses no synthetic chemicals, it greatly reduces the itching and irritation that synthetic pads caused. The germicidal properties of Kenaf prevent infections and the entire pad will degrade into its elements in a short time. It is a win-win game for women's health and the nation's environment. What is Alumni Guest Lecture?

KCT Alumni Guest Lecture is a series of free lectures and talks by featuring speakers, often past KCT alumni, who are excellence in Technology, Engineering, Management and entrepreneurship. You can expect thought-provoking discussions, engaging topics and networking with other KCT alumni over light refreshments. We invite you to join us and experience your alumni community.

Alumni Guest Lectures brings KCT Alumni to the College Campus to discuss recent breakthroughs and discoveries, offering alumni and friends a chance to share ideas and conversation.

How to Contribute?

Log in to your Alumni Account, if you don't have one you can Signup using this link –[Sign Up](#)

Add your Available Dates – Go to My Available dates Section, then Enter your Availability dates for Guest Lecture along with your Skills

Event Organizing – KCT Alumni Relations will arrange a guest lecture section and confirms your data and time of the event

Share Knowledge – Enlighten the Students by sharing your knowledge

Inauguration of Ahimsa Vanam - A Tranquil Forest

Commemorating the 150th birth anniversary of Mahatma Gandhi and to promulgate the significance and relevance of Gandhian ideals of Ahimsa and Satyagraha Kumaraguru Institutions under the aegis of Kumaraguru Microcosm is initiating the creation of Ahimsa Vanam, a tranquil forest garden, curated to exist as a multifunctional landscape to enhance urban resilience.

The Guest of Honour, The Reverend Kosho Niwano, President-Designate Rishso Kosei-kai planted a tree and watered with the water from sacred water bodies. Following this, the Japanese prayer was performed for peace, happiness and prosperity. Following this, the guest of honor delivered a special address which was translated in English for the benefit of the audience. Ensuing this, Dr.B.K.Krishnaraj Vanavarayar delivered the Presidential address.

A day to felicitate and honor the sculptors of the Indian Youth!

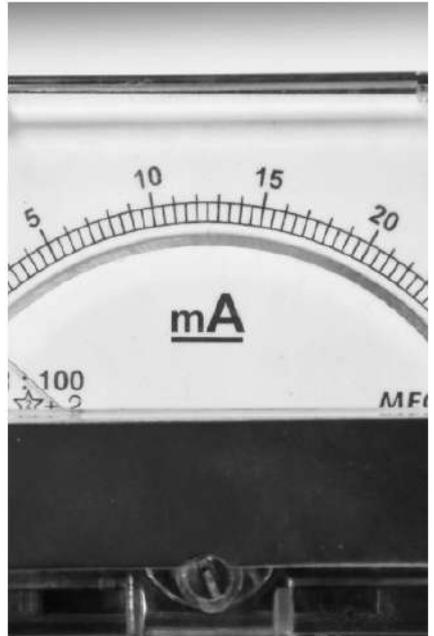

“The profession that creates every other profession is teaching!”

Kumaraguru Institutions, have consistently been delivering exemplary outcomes since inception and the teaching fraternity has been the pillar of strength and support to achieve this remarkable feat. 05 September is a significant day when Kumaraguru Institutions gratefully remember the legendary teacher and India’s second President Dr. Sarvepalli Radhakrishnan and take pride in recognizing and honoring the faculty members and staff of KCT, KCLAS, and KIA for demonstrating excellence through their immense and passionate contributions.

Grand celebrations were planned for the day and more than 170 eminent faculty members and staff were felicitated with awards under various categories. The beautiful evening unfolded with invocation after which the stage was set for the Band Agratha, who invited the audience for a lively blast to the past, recreating the mellifluous 90’s songs. The children of the faculty members were at the top of their spirit and thoroughly enjoyed the fun games and outdoor activities arranged exclusively for them at the lawns [read more...](#)

A National level recognition...

NABL Accreditation earned by KCT-Fluke Centre of Excellence in Calibration

It is a moment of great pride and privilege that KCT is the first private Engineering Institution in India to be accredited by NABL for calibration services.

KCT-Fluke Centre of Excellence in Calibration, E&I Department is accredited by the National Accreditation Board for Testing and Calibration Laboratories (NABL) in accordance with ISO/IEC 17025: 2017 for the disciplines of Electrical, Electronics, Mechanical and Thermal calibration. National Accreditation Board for Testing and Calibration Laboratories (NABL) is a Constituent Board of Quality Council of India. NABL has been established with the objective to provide Government, Industry Associations and Industry in general with a scheme for third-party assessment of the quality and technical competence of testing and calibration laboratories.

A Sathyagraha for Sustainability at Kumaraguru Institutions

Kumaraguru Institutions has organized week-long events and programs to pay tribute to the father of our nation on the 150th Birth Anniversary of Mahatma Gandhi. Kumaraguru Microcosm, a flagship of Kumaraguru Institutions is a seed to making a coexisting, inclusive and sustainable environment for the quality of life of humans and all other living partners on the campus.

Shri Shankar Vanavarayar, Joint Correspondent, Kumaraguru Institutions, Mr. Saravanan, Program Manager, Kumaraguru Institute of Agriculture, HoDs, faculty members and Staff along with around 300 students from Kumaraguru Institutions and 30 volunteers from various NGOs and Corporates in the region around the campus came together as a community to initiate the creation of a percolation pond that can harvest 32,00,000 liters of rain-water on 02 October 2019. With this percolation pond, Kumaraguru Campus will ensure that every single drop of rainwater that falls on the campus is harvested during rain. This percolation pond will benefit in ensuring groundwater recharge for all the neighboring residential areas. After the Shramdaan, volunteers felt extremely content and happy to have contributed their part to the society and look forward to more such opportunities [read more...](#)
